PLANETARK TOYOTA

Take part in National Tree Day Sunday 30 July

Taking part in Planet Ark's National Tree Day is a great way to branch out to your community in a meaningful way, enhance your role as a local business leader and help nature thrive.

This year we are giving people more ways to take part in Tree Day – by planting in their own backyards. Hopefully this will create more business for you as well.

YES! PLEASE REGISTER OUR NURSERY OR GARDENING CENTRE.

We'll be joining the largest nature-care and tree planting event in Australia.

This year we'll do the following activities: (please tick)

- Run a community tree planting
- Offer a native gardening workshop
- Donate/discount seedlings to Tree Day participants
We promote under 'Offers of Help' on our website.
You define the offer and stop it at anytime.
- Assist a local school on Schools Tree Day - Fri 28 July
- Help a community group with plants & resources
- Display Tree Day posters
- Endorse Tree Day on our website, newsletter & Facebook
