Kindergarten and Pre-School Competition

'Get Growing' on Schools Tree Day and your kindergarten or pre-school could WIN a special visit from **Fifi and the Flowertots**

Schools Tree Day is a wonderful opportunity for children to get growing for the future. Each year more than 200,000 children take part in Schools Tree Day planting activities, growing native gardens, growing school communities and growing their environmental education.

Planet Ark is offering kindergartens and pre-schools the opportunity to win a **Fifi and the Flowertots** meet and greet at your school.

To be in the running to win, follow the steps below:

1. Register your kindergarten or pre-school for 2009 Schools Tree Day by Wednesday 29th July. Visit <http://treeday.planetark.org> or call the National Tree Day hotline on 1300 88 5000.
2. Visit <http://treeday.planetark.org/competitions>, download the Schools Tree Day Fifi and the Flowertots colouring-in sheet and distribute it to your students. If you do not have access to the internet please call 1300 88 5000 to have a colouring-in sheet faxed or posted out to you.
3. Get students to colour the sheet in and select the best entry from your class to send into Planet Ark for the competition.
4. Write on the back of the selected colouring in sheet:
Your school's name, address, and phone number
The name of your Schools Tree Day site coordinator and site ID number
5. Send your labelled colouring in sheet by Friday 21 August 2009, to:
