

PLANET ARK

Everyday Nature

Growing Minds

Teachers Webinar

Tuesday 17 June
4pm – 4:45pm

For all teachers, **Hosted by Planet Ark**, facilitated by Field of Mars Environmental Centre and Cool Australia.

Early education, primary and secondary teachers will learn how green time helps improve academic performance, concentration, creativity and self esteem, while reducing anxiety, stress, aggression, bullying and symptoms of ADHD in children, in the lead up to Schools Tree Day, the largest nature-care event in Australian schools, this is an ideal time to get growing!

Cost
FREE
