Grounds to Celebrate - Volunteer as a Tree Day Coordinator

Planet Ark is celebrating 22 years of planting trees and urging Australians to volunteer as a site coordinator to organise a tree planting or nature-care event in their local area on National Tree Day on Sunday 30 July and Schools Tree Day on Friday 28 July. Coordinators come from various backgrounds - councils, schools, national parks, Landcare, Bushcare, environmental and nature care organisations, community groups, businesses, faith and sporting groups.

By taking part in National Tree Day, you'll be contributing to Australia's largest community tree planting and nature-care event and joining thousands of individuals in making a difference, connecting people with nature, beautifying neighbourhoods and inspiring positive environmental change.

Coordinators needn't be planting or gardening professionals. Planet Ark provides loads of support, how-to-do-it advice, guides, examples and tips, as well as collateral to help promote your event.

Dig in and register at treeday.planetark.org or call the Tree Day Hotline on **1300 88 5000**.
